Steve Schweer was officially named the 18th head coach in the history of the Illinois College Blueboys basketball program on April 23, 2018. Over the past two seasons the Blueboys have been on a historic run- 49 wins and 8 losses including back to back regular season and conference tournament championships. IC won their first ever NCAA tournament game in 2024 with a buzzer beater against the University of Dubuque. As a result of their performance the past two seasons, Blueboys players earned 7 All-Conference honors, the 2024 Conference player of the year, and an all region nomination. Coach Schweer was named MWC Coach of the Year in 2023, and was also honored as the D3Hoops.com Region 9 Coach of the Year. Over the past four seasons, the Blueboys are 70-21 (.769) which is the winningest four year stretch in program history.

Schweer is a graduate of Illinois Wesleyan University, where he was a four-year member of the men's basketball program, winning three CCIW championships and competing in the NCAA Tournament all four years as a player, including advancing to the Final Four in 2006.

THE 27TH ANNUAL ILLINOIS COLLEGE BOYS BASKETBALL CAMP

is open to boys who will begin grades 4-9 in the fall of 2024. The junior camp is for boys entering grades 2-3 in the fall of 2024. The camp will focus on fundamentals and individual skills including shooting, ball handling, passing, defense and post moves. Advanced techniques of team offense and defense including both 3-on-3 and 5-on-5 game play will also be significant portions of the camp.

Campers will receive instruction from some of the area's finest coaches and current members of the Blueboy roster. Each camper will receive a camp T-shirt, and there will be awards on the final day of camp for outstanding campers selected by the camp staff. **Full day campers will be responsible for bringing their own lunch each day, and all campers should plan to bring their own water bottle or container.** Campers will be required to follow all Illinois College rules and regulations, and will be expected to submit a signed waiver by a parent or guardian prior to participating in the camp on Monday, June 17th.
