RE: *FOIA Request of October 2, 2014*

Dear Mr. Million:

This letter serves as a response to your request on October 2, 2014 for public records under the Freedom of Information Act (5 ILCS 140/1 et. seq.) specifically in regard to the following:

- Total medical insurance premiums paid for all employees only for the last full school year.
- Teacher salary tables for previous contract which is not on website
- Pay increase amounts in percentages since 2008 for teachers, custodians/maintenance, and bus drivers

Enclosed, please find the total medical insurance premiums paid for all employees for the last full school year. The teacher salary table for the previous contract is now available on the website. District #117 does not have a document with pay increase amounts in percentages since 2008 for teachers, custodians/maintenance, and bus drivers, however, you may obtain the necessary figures from the website to calculate such amounts.

Thank you for your interest in Jacksonville School District #117. If I can be of further assistance to you, please let me know.

Yours truly,

A handwritten signature in black ink, appearing to read "Dana Kinley", is written over a faint, larger version of the same signature.
