I wanted to give you what notes I have ready for Oct meeting--We have a mothers volleyball game plus my kids have their last football game of the season so I will be unable to attend.

Susie I know you will not be at the ptac meeting either due to our volleyball game-- Can you reply back with a Student Directory and Book Fair update by Tuesday.

Rachael I am not sure if your going to make the meeting- if not can you reply with a volunteer/social update by Tuesday.

Ar Store-- We are going to plan on having our first Ar date soon. Still working on the date. Wanted to give the students time to take test- and have heard there has been some hiccups with the program so the students have not been able to take test.

Fundraising.....Shawn this is your part

Yearbook-- We NEEEEEEEDDDDD someone to take this on. Laura has been around the school taking some photos so far this year to be able to include them so we do not miss out on early school year items, but Laura can not find anyone to take on the yearbook.

School Photos.....Do we know the retake date yet?

Spirit wear.....Jade McCulloch is in charge of this-- I spoke with her tonight- not sure if she will be at the meeting Tuesday or not-- I did not ask her-- but she said she collected what orders had been turned in so far today- and Laura is still working with Passavant to see if they would be interested in purchasing some shirts for the Ar store like they did last year.

Student Directory-- Susie Drake is in charge of this- and I have not received any updates from her yet.

Book Fair----Susie Drake is in charge of this- and I have not received any updates from her yet.

Volunteer/Social---Rachael Borgman is in charge of this- and I have not received any updates from her yet.

Festival of Trees-- Amy Gillespie is in charge of this- and I have not received any updates from her yet

Leo's Pizza pack the house night-- Thank you to April Dorr for quickly getting those scheduled for the school year-- those are located on the schools web site.

Tell a friend to come to next months meeting.

Thanks
Laura Fanning

Hello,

The district has received a FOIA request that included Eisenhower PTAC. I guess I didn't grab a copy of all finance reports. Could you send a copy of any reports dated January 2014 to present please?

I apologize for the inconvenience.

Thank you!

I assume this is the monthly budget report we review each month? If so Yes I have copies of everyone we have reviewed -along with copy of the meeting mins- remember we did not have a meeting in Jan 2014 to go over that months - and Shawn was not at April or Mays so we did not have those months either- So I will send to school a copy of Feb, March, June, Sept 2014 reports tomorrow.

Thanks

I wanted to make sure I have the correct week for American Education Week this year...
November 16-22?
PTAC has provided lunch one day during this week the past couple of years so I was wondering if that
Wednesday the 19th of November would be a good day? If not, which day would be best?
Thanks!

June 2 Teacher Institute Day is traditional teacher luncheon. We normally briefly honor retirees at this event; however, since this is not a work day for non-cert staff our retirees won't be here.

Before you plan anything, let me talk with some folks here.

So, I will not be able to be at PTAC meeting tonight.

Gary, if you are ready to spend the money we have ready for your project, please let's get it going. To help raise more money next year, we have to show we spent what we had this year on good KID projects.

To all Eisenhower Parents,

Please be advised of a meeting being held on Monday April 14th, at 6:00 p.m. in the Music Room at Eisenhower School. This meeting is very important as we are trying to get as many volunteers as possible to help set up and run Fun and Fitness Day that is scheduled for Friday May 30th.

We will be discussing stations and games. Please think about what games your kids might like to participate in and what you might want to volunteer to do. There will be 8 stations for the kids in 4th, 5th, and 6th grade and 6 stations for the kids in kindergarten, 1st, 2nd, and 3rd grades. Some of the ideas we have come up with are an obstacle course, relay races, musical chairs, etc. All ideas are welcome.

Everyone please consider attending this meeting. It takes a lot of parents to make this function run smoothly and most importantly to make sure the kids have fun.

If you know someone willing to help and they did not receive this email, please forward to them.

If you are unable to attend this meeting but would like to help, please contact us at eisenhowerfunandfitness@yahoo.com.

Bring your ideas and friends and hope to see you next Monday!

Hi Mr. Barlow,

I am attaching a letter for your to review and make you aware of what it going on next week with the Fun and Fitness meeting. If you can post the email on the website that would be great, if you would rather not post it and just put the meeting on the Calendar for Monday the 14th, in the music room at 6:00 pm.

Nikki and I will keep you up to date as to what it going on. After the meeting and we get the games finalized we can meet or we can send you an email letting you know what the games are and if you are ok with them. We will also get you a list of items we need to see if Mr. Braucht might have them.

Susie Drake had mentioned we needed a backup plan due to weather and we have no idea what we would be able to do inside. In the coming weeks we would like to meet with you about that.

This is my work email and I will get it faster than my home. You may contact me at scook@fsbtco.com.

Thank you for your help and being patient with us since this is our first year doing this!

March 2014 Eisenhower PTA Minutes

Principal's Report:

We need another iPad lab for teachers to use.

Proposal includes: \$9,000 for 30 station iPad lab, \$1,200 for Otterbox cases, and \$1,600 for the charging station.

PTA present made a motion to approve funding for the mobile iPad lab pending district approval. Laura Fanning and Janean Mays approved the motion and voting was unanimous.

iPads were chosen for several reasons including: familiar technology, comparatively inexpensive, and able to re-purpose for multiple uses in the future if needs change.

PTA participation:

Meeting attendance continues to be 10-20 people.

Enrollment is 365-385 students!!

How can we get parents to volunteer 1 hour/month to attend PTA???!!!!

Many future events such as: Fun and Fitness, Social Committee, Yearbook, Spirit Wear, Teacher Appreciation gifts, Book Fairs, Birthday books, Student Directory, Decorations, etc...are all made possible by PARENTS!! Please come out and SUPPORT YOUR school.

June 2 Teacher Institute Day is traditional teacher luncheon. We normally briefly honor retirees at this event; however, since this is not a work day for non-cert staff our retirees won't be here.

Before you plan anything, let me talk with some folks here.

Thank you!

I have another conflict for this week's PTAC meeting. I will come but it will be like 6:30. Here's what I have for Social Committee

The teachers and staff were very appreciative of the treats last week for Teachers appreciation week. THANK YOU to everyone who donated items and time to make this week special and show our teachers how much we appreciate them!

Book-It Pizza party is set for this Friday. Pizzas have been pre-ordered from Dominos and we will provide carrots and dip just like last year. Amber Ashmore will be helping me serve. If someone else would like to help please come at 10:45 on Friday. It would be nice to have one more helper!

End of the year teacher's luncheon. Catered?

Date? (Mr. Barlow?)

Retirees? (Mr. Barlow?)

Thank you!

We were ranked 6th in State at that time and had all the momentum. I caught their winning shot at the buzzer as it swished the net. That was the year that Beardstown got 4th in the State Tourney. They were 1A and were 6'8", 6'5", 6'5", 6'3" and 6'3". Pretty good small High School starting lineup.
