Subject: Freedom of Information Act Request

Ms. Kinley [or current Freedom of Information Act Officer]:

You will find attached to this email executed requests for information under the Freedom of Information Act. The attachment 'JSD117_FOIA_REQ_ATTENDANCE_DOC1.jpeg' contains the specific requests, of which there are three, all related to attendance boundary lines of District 117 schools. The other attachment 'JSD117_FOIA_REQ_ATTENDANCE_DOC2.jpeg' contains the FOIA request form available on the District's website.

The most convenient way to reach me for questions is via this email address 'dan@dephekt.net' and I have also included my mobile phone number in the FOIA form if you have need for it. Please let me know of any costs associated with fulfilling the request prior to duplication of any documents. I would prefer to pickup the physical documents if and when they are made available. However, if it is cheaper or more expedient to transmit them electronically, that can also be done via the aforementioned contact email address or a method of your choosing.

Please let me know if you require clarification of anything within the requests. Thank you for your time in considering this request.

Sincerely,

Daniel C. Snider
