Principal  
Murrayville-Woodson Elementary

Murrayville, IL 62668

October 30, 2015

Dear Ms. English,

I am writing to notify you that I will be leaving my position of Special Education classroom aide at Murrayville-Woodson Elementary, effective two weeks from this date. My last day will be November 13, 2015.

This was not an easy decision to make. I have enjoyed working for the district and getting to work with a great group of staff that are dedicated to teaching children. Thank you for the opportunities for growth that you have provided me.

I wish you and Murrayville-Woodson Elementary all the best. If I can be of any help during the transition, please don't hesitate to ask.

Best Regards,

Dear Mr. Barlow,

I would like to thank you for the wonderful opportunity to work with the Eisenhower staff this year as a paraprofessional, working in Carol Hedrick's autism class. I have felt welcomed and supported by all staff members throughout this experience.

However, due to financial and family obligations, I must submit my written notice of resignation. It is unfortunate, but I will be completely withdrawing from district #117, in any teaching capacity and pursuing an alternative career field to best meet the immediate and future needs of my family. My final date of employment will be October 31<sup>st</sup>, 2014.

I have notified Mrs. Hedrick, all autism team members, and will forward a copy of this email to Mekelle, so that she can immediately begin to search for the best qualified candidate to fill the upcoming vacancy my resignation will create.

Thank you again for all of your support. I respect, value, and support Eisenhower Elementary, the autism program, and all staff and administration. If there is anything that I can do to ensure a smooth transition for the incoming team member or the student/family I have been working with, I would be happy to do so.

Sincerely,

Rebekah Dunmire

Dear Carey,

I am writing to inform you that I have been offered another position and have chosen to accept it. My new start date is January 18, 2016 at Illinois School for the Deaf.

It has been a pleasure and honor to work with everyone associated with the Early Years Program. The entire staff shows such professionalism and it is easy to see how much they care for the program and the children and families in their classes.

I have an enormous amount of respect for Jessie Bonds after working with her as her aide. She respects the learning styles of each of her students and works diligently to provide a classroom rich with opportunities to learn. Jessie cares deeply for each child and shows it daily in how she interacts with each one and in how she communicates with parents to work together toward the best goals for the students in her class.

I appreciate the opportunity given to me to be a part of this program and wish everyone here the very best.

Thank you,

I have had the privilege of working at Murrayville-Woodson Elementary, as a part of Jacksonville School District since December 2016. I have worked as a paraprofessional in the 3<sup>rd</sup> through 6<sup>th</sup> grade Intellectually Disabled classrooms. At this time I, I regretfully turn in my resignation as of May 25<sup>th</sup> 2017. I have been given the opportunity to pursue and further my education in social work. Dear Ms. Kinley:

I am writing this letter to inform you of my decision to retire at the end of this current school year. This is my sixteenth year in the position of Media Center Paraprofessional. I feel that with the many changes that have occurred over these past two years, and my health and family needs, the time has come for me to call it a day. For the most part, I have enjoyed my years working in the district, and I wish only the best for the students and staff I have worked with. I will miss the eager faces of the children and the camaraderie of the staff.

Yours truly,

I would like to inform everyone involved that I regret to inform you of my decision to resign effective immediately. I feel that with my daughters health problems it would be best to not have a long term commitment at this time. I will be asking to be added to the substitute list and I feel that one day at a time is all that I can promise anyone at this point. I have never enjoyed a job more than when working with this little girl and especially at Eisenhower. Mr. Barlow and the staff have been so supportive and helpful. I feel that I have learned so much. I hope that they will continue to let me sub from time to time. I am available to answer any questions by email on here, personal e-mail: ryanscribner@live.com or by phone at 217-375-5541 or text if that is preferred for anyone.

Regretfully,

Mandy Scribner

Mekelle + Jacksonville School Staff:

Due to unforeseen circumstances and the inability to find a baby sitter in the Triopia School district, it is with great disappointment that I will be unable to keep my position as a LPU/Para Professional for Miracle Wilkins for the school year 2016/17.

I hope that if my situation changes in the next few years I would be reconsidered for a job opening should one come open.

Sorry for any inconvenience this might have caused.
